Dear Ingrid,

## Neighbourhood Plan

At the meeting held on 23 June 2015, it was resolved that Lydiate Parish Council should submit an application for the designation of a neighbourhood area, under The Neighbourhood Planning (General) Regulations 2012.

Please find enclosed a map identifying the area to be designated, which is the boundary of the Parish Council and is highlighted in red. It is considered appropriate for all of Lydiate to be designated, as this is the area administered by Lydiate Parish Council, and all sections of the community should be involved in the process.

I can confirm that Lydiate Parish Council is the "relevant/qualifying body" authorised to make this application under the following criteria:

"For the purposes of a neighbourhood development order, a parish council are authorised to act in relation to a neighbourhood area if that area consists of or includes the whole or any part of the area of the council." (Ref: Localism Act 2011, schedule 9, section 61F)

Please also find enclosed a statement of the aims of the Neighbourhood Plan for Lydiate.

Yours sincerely,

A handwritten signature in black ink that reads 'B. Keenan'.
