The 3rd edition 25" OS map of 1927 shows the race to no longer be connected to the River Alt by that date. The 4th</p>

Council	Sefton
Description	<p>No. 38 School Lane, Aintree, a possibly mid 18th century house. A building is shown on the Molyneux estate plan of Aintree of 1769. The land is shown as belonging to Thomas Fazakerley. (1) The building could have originally been an outbuilding to the 18th century building on the site of No. 40 School Lane. It appears to have been gradually altered and extended during the 19th and 20th centuries. It is not clear how much, if any, of the earlier structure remains.</p> <p>HOUSE (GEORGIAN to 21ST CENTURY - 1769 AD? to 2050 AD)</p> <p>(1) Map: 1769.
