HEARING PROGRAMME

Version 1

1. As all parties have provided detailed and comprehensive responses to my Matters, Issues and Questions, (for which, my sincere thanks) I do not consider it necessary to go through all of the questions at the hearing session.
2. Following opening statements, I intend to focus on the following subjects;
 - TVA/TA matters as a whole
 - Viability
 - Flood risk
 - Water efficiency
 - NHS Funding
 - Health Impact Assessments
 - Affordable housing split
 - Greenspace losses
 - HFT-levy
 - Modifications
3. Modifications will be discussed in light of CD04, the Council's revised list of suggested modifications, published on 3 June 2025.
4. Document PO03, published on 4 June 2025 provides a guide to attending the hearing sessions, and includes a link to Planning Inspectorate guidance on taking part in examinations.
5. If any parties have questions or comments at this stage and in advance of the hearing, please contact the Programme Officer.
