# A Welcome to Sefton from Cllr Ian Maher, Leader of Sefton Metropolitan Borough Council

Sefton Metropolitan Borough Council and our partners offer you a warm welcome.

We appreciate the terrible circumstances in which you are arriving in our Borough. Sefton has a long history of welcoming people fleeing from danger and oppression and we want to do all we can to provide you with a safe place to live as well as the support and services you need.

In this welcome pack, we have pulled together some information about Sefton and Merseyside, and details of where you can find help while living here.

We hope that eventually you will be able to return in safety to rebuild your homeland but until that time, we want to let you know that Sefton is your home and that you are living among friends.

**Cllr Ian Maher**  
Leader of Sefton Council

Sefton Council 

## Where are we?

Sefton is in the area of Merseyside in the North-West of England and is part of the Liverpool City Region.

Around 280,000 people live in Sefton, which covers 15,000 hectares.

The Borough is famous for its stunning 22-mile Nature Coast which features beautiful beaches, stunning sand dunes, woodlands and wetlands. It is ecologically important and a site of Special Scientific Interests because of the rare habitats and species it supports.

In the south of Sefton, the main towns are Bootle, Formby, Crosby and Maghull and the industrial and commercial heart of Sefton containing the busy Port of Liverpool.

To the north, there is Southport which is a classic English seaside resort well known with its emphasis on the floral displays of its parks and gardens and its annual events.

As well as its coastline, Sefton has plenty of countryside, greenspaces and parks to visit.

Sefton is easily accessible by road, rail, sea and air and is served by regular Merseyrail train services running north to south through the Borough and comprehensive bus services.

## Transport

To help Ukrainian nationals travelling to the UK, train companies across the UK, including Merseyrail, are offering free onward travel on train services to a safe place for people arriving into the region from Ukraine.

They will just need to show their Ukrainian passport and a boarding pass or ticket showing their arrival into the UK. They then have 48 hours from arrival in the UK to complete their journey.

Ukrainians arriving in London can use the offer on London Underground/DLR services if their journey requires you to travel between London national rail stations.

Those arriving at Liverpool John Lennon Airport will be able to use their Ukrainian passport and a boarding pass or ticket showing their arrival into the UK on Arriva bus services to connect with the rail network to complete their 'arrival' journey within the 48-hour period.

You can find details of:

- local bus and train services from Merseytravel at [www.merseytravel.gov.uk](http://www.merseytravel.gov.uk)

## Helping our guests settle in

Thank you again to our sponsors for offering a home to people fleeing the war in their homeland of Ukraine.

As you will appreciate, it is likely that they when they arrive, your Ukrainian guests are just going to want to experience normality and security for a while.

Please try to give your guests space and time to feel they have a safe place of their own and where they can store any belongings on a permanent basis albeit just for the duration of their stay.

After all, we all know how important it is to know where our toothbrush, comb and ‘stuff’ are.

As a sponsor, please try to make sure your guests are comfortable in their accommodation and that they feel as ‘at home’ as possible.

Although your guests are likely to want peace and quiet initially, access to a mobile phone and the Internet will help them can stay in touch with their family and friends.

That peace and quiet will also mean that your guests probably won’t want to draw too much attention to their arrival or presence. Please remember their need for privacy when using social

media or when you have guests at your home.

When they are ready to venture further afield, don't forget to help your guests familiarise themselves with your local area. Practical advice on how to get around such as where to catch buses and trains could be important.

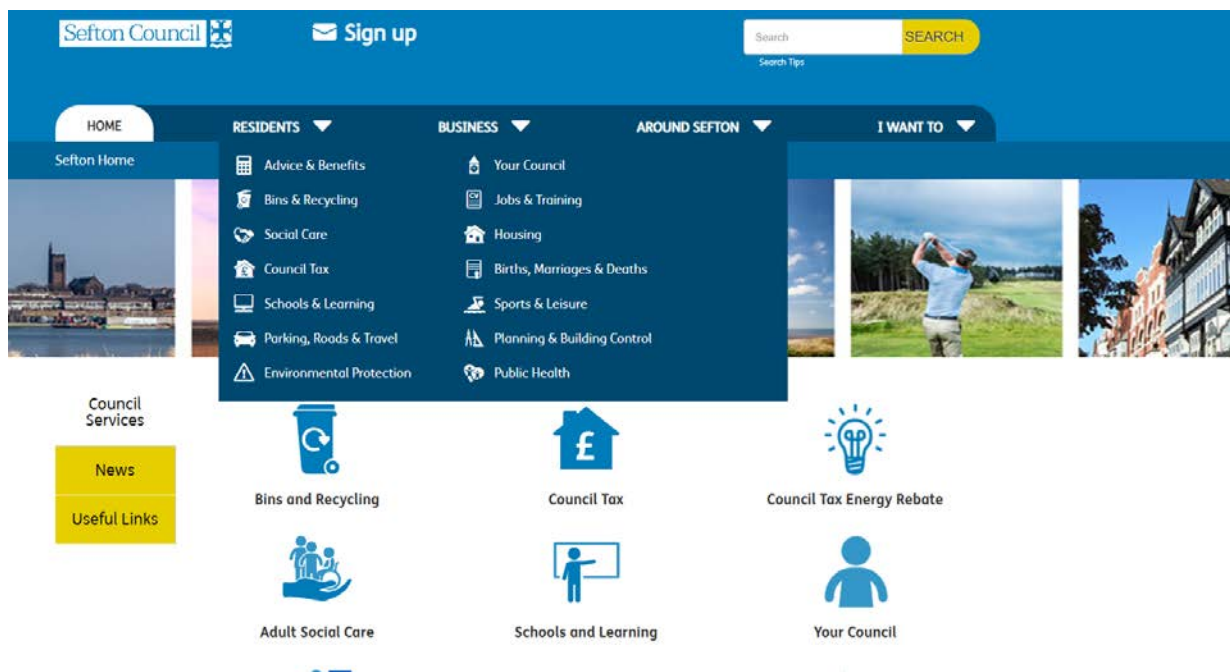

If you are concerned about your guests' physical or mental health, please use the information on Health in our online Questions and Answers to help them find help, advice and support.

Your guests are also likely to want to contact and meet other Ukrainian people locally and you can find details of where they can do this on page 11 of this welcome pack.

# A message from Cllr Trish Hardy, Sefton Council's Cabinet Member for Communities and Housing

I would like to assure you that all of us at Sefton Council will do all that we can to ensure you have a safe stay in Sefton until the time when you are able to return to Ukraine.

All of us at Sefton Council hope that you have found the information in this pack useful and that it helps to making your time in our Borough as good as it can be.

Of course, while we welcome you warmly to Sefton, we hope that eventually you will be able to return in safety to rebuild your homeland.

But until that time, we want to let you know that:

Sefton is your home and that you are living among friends.

**Сефтон — це ваш дім, і ви живете серед друзів.**
