Whether you are looking to boost your skills, build confidence, or take the next step in your learning journey - we've got something for you!

Why Learn with Us?

Inspiring Courses

Explore a wide range of engaging courses designed to help you grow, thrive, and succeed.

Expert Tutors Who Care

Our passionate, qualified tutors bring energy and expertise to every session. They are here to support you every step of the way.

Tailored Support

Need a little extra help? We offer personalised support, resources, and reasonable adjustments for learners with disabilities or additional needs.

We will offer you confidential and impartial Matrix accredited information, advice and guidance (IAG) throughout your learning journey. This includes:

- Impartial advice to identify the right course for you and setting of suitable learning targets
- Advice and support to overcome barriers to learning
- Details of organisations that can provide you with specialist impartial IAG
- Impartial information, advice and guidance (IAG) about progression opportunities. This includes information of further learning opportunities within our Service or with other learning providers, or to move onto paid employment or volunteering

Financial Help Available

You might be eligible for help with transport and stationery costs if you are:

- Aged 19 or over
- Studying a Level 3 qualification or below
- Experiencing financial hardship (proof of low income may be required)

Just ask your tutor at the start of your course for details!

Our Learning Centre

Step into a modern, welcoming space equipped with:

- Free internet stations and adjustable tables
- Accessible facilities
- An Immersive Interactive room to enhance your learning experience

Spring 2027 Course Fees – Learn More for Less!

GREAT NEWS - many of our courses are completely FREE!

Even better, we are excited to introduce a new pricing offer: every course is now available for either **FREE** or just **£10** (including follow-on courses), helping you keep learning for less. Conditions may apply.

Classes fill up quickly. **Don't miss out!** For more information on enrolment and induction see page 4.

1 Find the right course for you

We will provide information about the course you are interested in, so you can:

- Understand what the course covers
- Find out what you will learn
- Ask any questions

2 Complete your enrolment form

Once you have chosen the course you would like to join, you will be asked to complete an enrolment form, this helps us gather the information we need to register you on the course and ensure we can provide the support you need during your learning journey.

3 Attend induction and/or initial assessment

We will ask you to book onto an induction and initial assessment session, where you will:

- Learn more about your course
- Find out about available support
- Discuss your current skills
- Identify your starting point

Before You Enrol

Please note that learners are not able to re-enrol on qualifications they have already successfully completed. **(Q) Qualification course**.

Learners may enrol on up to three courses per academic year across the Creative Industries, Health & Wellbeing, and Family Learning curriculum areas combined. Courses that have been successfully completed cannot be repeated within the same academic year.

If you need guidance on choosing your next course, our team will be happy to help.

Exciting changes are taking shape at our centre!

Thanks to a significant investment in our facilities, we have been able to transform our learning environment to better support learners, staff, and the wider community.

Following the successful refurbishment of the ground floor in 2020, which created modern, welcoming, and accessible spaces, work is now nearing completion on the upstairs renovation.

The upstairs has been completely modernised to provide brand-new classrooms, upgraded learning equipment, and state-of-the-art meeting rooms designed to support collaboration, training, and innovation. These improvements will create a contemporary, high-quality environment where learners can develop their skills, build confidence, and achieve their goals.

With the project almost complete, we are excited to open these new spaces and continue providing an outstanding learning experience for everyone who visits our centre.

The transformation reflects our ongoing commitment to investing in education, new opportunites, and the future of our community.
