The **Community Engagement Programme** is designed to support Southport's residents and businesses in the lead up to The 154th Open at Royal Birkdale in 2026 officially launching in early January. From then, a weekly drop-in schedule will be available at these accessible locations in the town, providing a welcoming space for the community to receive clear, up-to-date information, ask questions, and stay informed about plans, opportunities, and potential impacts as preparations progress to stage the Championship.

In anticipation of The Championship, The R&A have appointed **Pam Jameson** as **The Community & Project Support Assistant** who will be available to assist with and address any enquiries you may have.

If you are unable to attend a 'drop-in' session or a Community Engagement Day, or for any circumstance where the 'drop-in' session has had to be postponed or rescheduled, and should you have any pressing enquiries, please do not hesitate to reach out to Pam via the contact detail below:
