## Our ambition for Adult Social Care

We want to offer care and support that empowers people to live an independent life, exercise choice and be fully informed

## What we want to see

People are supported to remain independent and to have choice and control

High quality support and services for those with complex and neurodiverse needs

The most vulnerable people living in safety free from harm. discrimination and abuse

Working with our health and social care partners to deliver a coordinated response

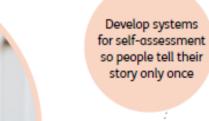

Respect and value our workforce ensuring stability, capacity and sustainability

Equity for all people in terms of experience and outcomes

Quality, safety and continuous improvement will be at the heart of all we do

Carers are well supported and able to achieve their personal

outcomes
