

Join Us to Shape the Future of Adult Supported Living.

SUPPORTED LIVING COPRODUCTION GROUP.

THURSDAY 19th JUNE 1 – 3 PM

Bootle Town Hall – Committee Room

We want to make supported living better in Sefton. We are working with people who have used these services, and carers to create good homes with support for older and young adults with disabilities.

Our goal is to improve care, support, wellbeing, and independence. The first meeting will listen to people who use supported living services to help design the consultation and plan for the future.
